While slavery existed in William Bailey's family for only 40 years, the black and white families remained together for over 150 years. *Tangled Branches* tells the story of the two families' interdependence on each other through five generations. It traces the black family through the white family from pioneers, through the Civil War, Reconstruction, The Great Depression, Prohibition and World War II.

LifeRichPublishing

This book is a fact-based, fictionalized story of two aviators doing espionage work for US and British intelligence agencies in 1939. Their around-the-world mission is predicated on a geodetic survey. Throughout the book, the pilots must avoid disclosure and its grim consequences or death from exceedingly dangerous flying conditions, including flak.

Paul Douglas' loyalties are sharply divided as his country splits in two. He and his father, his sister, and his friends are thrust into a whirlwind of conflicting allegiances and divergent paths. Circumstances force Paul to make some hard decisions. His choices lead him on a kaleidoscopic odyssey through battlefields and bedrooms as he seeks his own separate peace in a nation torn apart by war.

XlibrisUK

Exploring the conflicts in attitude to social class, destitution and religion in her story, Elizabeth Reinach debuts as a published author with Heirs of Deceits. Set in the late Victorian period in England, the story follows Sir Gilbert Stanley, Tory politician and great landowner, who — like many rich men — has taken peasant mistresses in his youth. Find out what happened to his illegitimate children!
